

Flores

Family of spotlights with lampholder for GU10 LED bulb. Available in satined brass and satined gun metal finishing. Thanks to the possibility of orienting the head of the spotlight, you have the possibility of creating accent lighting to highlight architectural details or to evenly illuminate a room. The use of the GU10 bulb (not supplied) allows the use of optics of different beam and warm or cold light temperature.

Code	3801-82-119
