Skilos

Skilos recessed backing is a lighting fixture with a 600x600 mm modular structure. Provided with an optical system which allows excellent visual comfort, the microprismatic screen guarantees a UGR<19 factor. Equipped with the latest generation of very high efficiency LEDs, 4000K natural light, CRI 90. The IP65 degree of protection is guaranteed both on the visible side and on the recessed side. Particularly suitable for operating, aseptic, chemical and food premises.
