Leo

Circular aluminum ring suspension with 1000 mm diameter opal diffuser, available in black and white finishing. In 3000K version, it guarantees a light emission at the source of 6300 lm and in 4000K version, 6700lm. Design and size make Leo an elegant decorative and furnishing element, its performance makes it very versatile. Leo adapts to all environments, even large ones. Perfect for reception (reception, cash desks, hall) and suitable for general lighting in shops, bars, restaurants and meeting rooms, also suitable for your home environment.
